# PROFESSIONAL RACING SCHOOL

**The Experience = \$75.00 Savings**

The K-1, K-2, and K-3 classes are two hours in length. The classes are designed especially for children ages 5-7 years old. Purchase the Kid Kart Bundle featuring our K1, K2, and K3 classes for only \$552.00 a cost savings of \$75.00.

**K-1 FUN-damental Kart Control**

**Ages 5-7**

**\$199.00**

Students are taught the difference between the gas and the brake pedal with emphasis on braking. When the first stage is mastered, students are then taught how to maneuver their kart under complete control. Kart control is the key to learning how to find the racing line.

**K-2 Working the Lines**

**Ages 5-7**

**\$209.00**

Our Racing Instructors pick up the pace and teach students the basic racing lines to sharpen their skills. The emphasis for this level is kart control and getting the most out of the racing line.

**K-3 Passing to Win**

**Ages 5-7**

**\$219.00**

This is where it all comes together, karting control, racing line and threshold braking techniques. With the skills taught in the previous classes, our students advance to learn the art of passing and making it stick. The students are now prepared to receive their license and race.

### Kart Series Classes

Four hours designed for beginner and advance drivers, an hour of seat time

**Basic Kart Control**

**Ages 8-12**

**\$295.00**

Students are taught kart control during critical maneuvers. The emphasis of this course is placed on the use of the throttle, brake, and how they effect on the chassis dynamics.

**Advanced Lapping Day**

**Ages 8-12**

**\$350.00**

An Intense half-day of practice where all the techniques taught to our students are put to the test!

**125cc TAG Class A**

**Ages 13-95**

**\$395.00**

Take a four hour professional TAG karting class and learn from our experienced instructors karting control, racing line, braking points and corner apexing. Minimum 3 on-track driving sessions

**125cc TAG Class B**

**Ages 13-95**

**\$435.00**

Braking and driving line refinement, inside/outside line exercises, passing, qualifying, rolling race starts and possible interclass competition. Minimum 3 on-track driving sessions

### Private Lessons

Private lessons with one of our expert instructors is available, please call the office for hours and rates, or to schedule an appointment.

**A**dams Motorsports Park (AMP) is located in Riverside, CA. AMP is just north of the 60 Fwy on Market Street, corner of 24th and Market. This location is conveniently positioned only 45 minutes away from downtown Los Angeles and only 20 minutes from the newly remodeled Ontario International Airport.

Adams Motorsports Park boasts one of the longest straights in the country measuring in at an impressive 700 feet. With 14 different turns, we challenge even the most veteran drivers. Our world famous track has just the combination of slow and fast corners, allowing something for drivers of every skill level.

AMP has proudly hosted club, state, and national championship events since 1963. We are the home track of two of the state's largest kart racing clubs. Our special amenities include a large pit area, running water, and a full-service concession stand.
