

General Event Rules & Tech Guidelines

General Event Rules

Must be 18 years of age or older to participate as a driver.

Must be 18 years of age or older to participate as a Ride Along/Pit Pass.

Please arrive at least 30 minutes before the session that you would like to sign up for. This guarantees that you will have enough time to complete Registration, Tech Inspection and are ready for the Drivers Meeting which begins 10 minutes before each session starts.

Drivers meeting attendance is mandatory!

Technical inspection is mandatory. If you're late, you'll wait.

Pit and paddock speed limit is 5 MPH.

You **MUST** be wearing a helmet before you enter the course or grid (this includes passenger).

Be safe. If you're behaving unsafely you will be removed without refund.

Be courteous and follow proper track etiquette.

Pick up after yourself. Trash cans are provided.

No refueling in the pit or paddock.

Only drivers, staff, and authorized media are allowed on the course.

Keep all body parts inside the vehicle while it is on the course.

Drivers and pit guests may be asked to show their wristband at any time.

Tampering with or altering the wristband will result in removal without refund.

VIOLATION OF THE RULES MAY RESULT IN REMOVAL WITHOUT REFUND

Basic TECH Guidelines

This is a basic list to get you started. [Contact Us](#) if you have additional questions.

- Battery properly secured and positive terminal covered
- Engine compartment free of loose items (air filter, hoses, wires, etc.)
- No fluid leaks or exposed wires
- Brake lights function properly (at least two red functioning brake lights)
- Seat and seatbelt properly mounted and secure
- Brake pads and rotors in good condition (min 40% thickness)
- Tires are road-worthy and safe (min 3/32 tread depth, no sidewall damage)
- Wheels and wheel bearings are tight and road worthy
- Windshield is free of cracks which might obstruct the driver's vision
- Helmet is SNELL certified M95 or SA95 or newer and free of damage
- No loose items inside passenger compartment of car or truck
- Roll bar in open cars is required. Convertible cars without roll bar must have top up and properly secured
- Tow hook or tow bar is required
